things that ordinary people can achieve and celebrate the communal strength that comes from the traditional circus touring life.

As an international touring company rooted in a bi-lingual nation NoFit State is a multi-lingual and multi-cultural company that celebrates linguistic and cultural diversity.

About you

You are a recent graduate or someone with equivalent relevant experience who is ambitious and sees the arts as an important part of your life. You are driven to ensure that as many people as possible have the opportunity to experience, to be inspired, and be challenged by the work of NoFit State.

As company we set ourselves extremely demanding targets, which you will be essential to delivering. You will develop strategies across our expanding programme of work, providing essential support for all the marketing and communication needs of the company, deputising for the Marketing & Communications Manager when necessary. You will be keen to develop your skills and take on new challenges.

You will be an integral part of our team and deliver dynamic media campaigns that will drive engagement for our Big Top shows, community programme, festivals and projects.

Main Responsibilities

This role will be wide ranging, will be tailored to the chosen candidate's skill set and strengths, and will offer a strong grounding in all areas.

You will cover key areas including communications, audience development, website maintenance, development of systems and processes, relationship management and the use of data and research.

What You'll be Doing

- You will ensure our materials elevate our brand and are highly accessible
- You will create tailored written and visual communications that utilise your nuanced understanding of our different audience strands
- You will achieve a high level of engagement by tailoring creative content across multiple platforms
- You will develop and build the number of people engaging with our work, the diversity of our audiences, and the depth of engagement with our current audiences
- You will provide audience centred communications to support audience development
- You will ensure a smooth customer journey for all our audiences by developing consistent and appropriate materials and systems

- You will predict audience trends and shape the strategy of the communications planning by gathering and analysing appropriate data
- You will build essential relationships with freelancers and press

This list is not exhaustive and, as this is a new post and job description, it may be subject to mutually agreed change made by you and your line manager as you and the role develop.
